Meeting the Challenge

The year 2020 will certainly go down as one of the most challenging years in history. This has been a year where we all have had to make many adjustments in our lives. Together, we as a nation have struggled through this most difficult time.

We want to thank our membership for your loyalty and trust that you continue to place in us. In addition, we want to express our sincere appreciation to our Volunteer Board of Directors and Supervisory Committee. Because of our great volunteers and staff, we are able to continue all the great services that we so proudly provide to our member owners since 1969.

Our Strategic planning is the style of thinking and method of planning which focuses on what the business should be in the future, evaluates and determines where the business is presently, and concentrates resources to reach that defined future. AMFCU plans for the future services for our members.

As Henry Ford once said “Coming together is a beginning. Keeping together is progress. Working together is success.” To stay competitive, we know that we need to offer more tomorrow than we do today. These are no ordinary times. Yet, we are faced with incredible opportunities that can help improve our lives, the lives of those we work with, and the members we serve. We look forward to serving you in 2021.

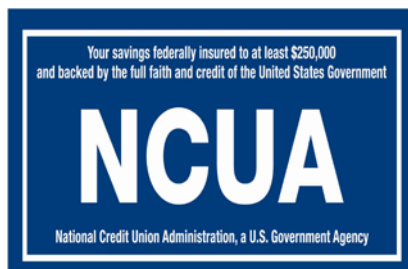

Now is the time to verify your address at the credit union for tax information mailing. All 1099 and 1098 forms will be mailed out by January 31, 2021. If your address is incorrect, this will delay your 1099 tax notice.

You are responsible for notifying us of any address or name change. The credit union is only required to attempt to communicate with you at the most recent address you have provided to us. Please contact us in person or in writing to change your address or member information.

GRATEFUL

As my time here with AMFCU comes to a close, I want to take this opportunity to thank all the staff, volunteers and members who have made my journey one of gratitude. I was very blessed to be given an opportunity to work with and for a group of people whom I admire greatly. It was very rewarding to be a part of a great organization and to serve with all that have helped bring continued growth and success to AMFCU. My prayer is that AMFCU will continue to grow and be successful as a 5 Star Financial Institution. Thank you for a wonderful 23 years.
