

## **AMFCU Home and Mobile Banking Customers**

Our Home Banking system will be upgrading soon. This will be a transitional process that will take 4-6 to complete. During this process there will be brief time periods when your home banking will not be accessible. These will be brief and we will update you in advance when this will occur.

The first upgrade will take place Thursday, September 10, 2020 from 7am-9am

AMFCU Staff will have access to your account so please feel free to call!
